Please find with this mailing the article for March that is to be included in one of your parish March bulletin distributions.

As a reminder, each month there will be one educational article provided by VIRTUS® covering topics of interest to create awareness on trending topics. This month's featured article is: *"Mobile Device Dangers: Snapchat, Snap Map and Caller ID Spoofing"* By Robert Hugh Farley.

As a community of faith, we are called to provide prevention efforts supporting safe environments within our parishes and tools for our families. Thank you in advance for your cooperation.
