Subject: Monthly VIRTUS® Bulletin Inserts

Please find with this mailing the VIRTUS® awareness article for November 2020 that is to be included in one of your parish November bulletin distributions. Also included is a flyer to accompany the article as a resource for families. Additionally, please post the flyer in areas within your parish properties.

As a reminder, each month there will be one educational article provided by VIRTUS® covering topics of interest to create awareness on trending topics. This month's featured article is *'The Intersection of Caring Adults and Reporting Abuse'* by Crispin Ketelhut Montelione.

As a community of faith, we are called to provide prevention efforts supporting safe environments within our parishes and tools for our families. Thank you in advance for your cooperation.
