

*Welcome to the
Marriage Preparation Process for the
Altoona-Johnstown Diocese*

Congratulations on your decision to marry in the Catholic Church. This sacramental preparation is an invitation to you as a couple to invest time and energy into the important work of preparing for your married life together and to continue your faith journey with God.

Because Christian marriage is a sacrament, we are excited about helping you develop a better understanding of the sacrament while fully respecting persons and beliefs of other religious traditions.

The program will provide resources and practical tools needed to grow a strong and healthy marriage as you gain insight into yourselves as individuals and as a couple.

"Your wedding lasts a day, but your marriage lasts a lifetime."

WHEN TO ATTEND MARRIAGE PREP

The sooner the better but 6 to 9 months before your wedding is preferred! Couples who attend shortly after they become engaged have the most to gain. Because we give you time to dialogue with each other after our married team couples share some of their experiences, you will find your own relationship deepening. Plus, you will receive information on planning the wedding ceremony.

FOCCUS PRE-MARITAL INVENTORY

The diocese recommends that engaged couples take a premarital inventory as part of their marriage preparation process. This inventory is not a test. It is a discussion tool to help you communicate about the areas of your relationship that are strong and those that need work.

A priest, deacon, or someone assigned by him gives instructions on taking this inventory online and schedules a follow up session.

THINKING ABOUT NATURAL FAMILY PLANNING

Heard about this family planning method?

- husband and wife share the responsibility
- no health risks
- costs nothing
- works with your fertility, not against it
- scientifically researched
- can improve your marital communication
- 98-99% success rate

This is **Natural Family Planning (NFP)**, an updated, scientific, medically safe, Church approved method. Scientific info: www.woomb.org. Highest success rates when learned through a qualified instructor.

Will Natural Family Planning work for our relationship?

Your marriage is the most important relationship you will have. It needs nurturing, commitment, love, and a desire to work together to make it succeed for both of you. Those are the very qualities exercised when a couple uses natural family planning. NFP will enhance your relationship through open, intimate communication, commitment to a common ideal, a deeper respect for each other, creative expression of your love, and a thorough understanding of your sexuality.

For information or instruction, contact Diocesan Family Life Office; 814-886-5551; familylife@dioceseaj.org. Certified instructors are available in the Altoona-Johnstown diocese.
