DEVELOPMENT *bulletin*

It is not how much we give, but how much love we put into giving.

General Development E-mail Account

We are now accessing e-mail through the Office 365 environment. Although you can continue to contact each of us at our individual e-mail accounts shown below, we are not yet able to send ACA donor reports through the “giving@dioceseaj.org” account. Also, at this time, only Chris has access to the “giving” account.

If we are not able to e-mail your November 30 year-to-date report by early next week, we will put them in the mail. Thank you for your patience!

Annual Fund Review & Allocation Committee

This committee of clergy and laity has met on four occasions and has conducted two listening sessions for pastors and parish finance councils. The final set of recommendations for replacing the Annual Catholic Appeal in 2017 will go before Diocesan Finance Council tomorrow and to Presbyteral Council via e-mail.

It may be necessary for us to communicate details about the new campaign prior to January 3. Thank you for your understanding.
