RE: DRE/CRE/Youth Minister/Sacramental Prep Team/Directory

DATE: September 13, 2016

An invaluable resource we like to provide for parish is a diocesan director listing all Directors/Coordinators of Religious Education, Youth Ministers and Sacramental Prep directors or head team member. This resource allows those working in parish ministry to network with others in their ministry.

Unfortunately, with all of the changes that take place in parishes when someone leaves and someone new takes over my lists are not up to date

Enclosed you will find a form for you to list the person(s) you would like listed in the directory and to be receiving my mailings and emails with pertinent information to assist them in their ministry.

Please limit your listing to no more than 1 person per category. If you have more than that, I would ask that the key person you have chosen to receive the mailings share the information with others. This will help to save on postage.

If you have any questions or need additional information, please give me a call.
