

**PASSING ON THE FAITH:  
PARENT MAILINGS: AGES 1-4**

BY SUSAN STITH

**A Sequel to:  
Passing on the Faith:  
Baby's First Year**

**Dr. Kathleen O Chesto:**

*“Here is a gentle, usable approach, clear enough not to intimidate, brief enough not to overwhelm. Passing on the Faith enables parents to recognize and name the holy in the ordinary events of parenting toddlers and preschoolers. It provides gentle guidance for nurturing marriage while carefully including single parent families.*

*The suggestions for prayer, nurturing spiritual hunger, and creating sacred space, are easy and doable for even the busiest, two career families.*

*What a lovely way to keep parents connected with the parish church after the baby's baptism!”*
