

## Bethany Youth Retreat Center

### Virtual Retreats for the 2022-2023 School Year

Sr. Suzanne Thibault has been presenting youth retreat since 1986. She is best known for the ability to engage students and adults on retreat. The Virtual Retreat format includes live presentations on the Zoom Platform. Each session is 30-45 minutes in length and includes breakout rooms with small group sharing. Each session is followed with discussion and reflection work for the student and sponsor to take a deeper look into the presented material. The reflection work is returned to the presenter before the next zoom session. This Virtual Retreat would be presented as a 5 hour in-person retreat with large group, small group and one-on-one sharing between student and sponsor. If you or your parish would like to register for this retreat or schedule an "In-Person" retreat with Sr. Suzanne, contact the Bethany
